# About NGO

- ARAVALI was initiated as a result of the joint effort of the Government of Rajasthan and a few leading voluntary agencies in 1994 to promote innovations in development and act as an interface between the Government and the voluntary organizations.
- ARAVALI intends to ensure that there are an increased number of effective voluntary organisations working closely with marginalized communities in every district of Rajasthan

# NGO's Working

- Capacity Enhancement
- Poverty Targeting

# Tasks Assigned

- Case Study: To read about ARAVALI and understand working process
- Website Design: Create a responsive website with enhanced UI
- Rural Visit: Visit to the Kosra village
- Workshop: Attend the workshop held for silicosis
